BOX (DIE) INSTRUCTIONS

Cut out the game box (die) on the dotted line.

Fold to form a box.

Place the folded flaps on the inside of the box. Use tape to keep the box together.

TO PLAY

Cut out the Player Markers. Follow the instructions to make the box (die).

Place your marker on the START box on the Game Board.

Roll the die.

Players must match the picture to move to the next space. Follow the black and white arrows.

If the player moves to the next space, roll again.

The first player to reach a FINISH box wins.
